Name: _____

Reflecting on your exploration of phobias, please summarize the steps we took, from the introduction of phobias to your presentation of treatment plans. (Summarize the topics discussed in addition to the tasks you were asked to engage in). Try to organize them in sequence. *Can be done in point form
What key understandings have you developed? What specific things have you learned (or affirmed)?
What important understandings are you able to share with others? What do you want people to know or understand?

Social Responsibility

Consider the Social Responsibility Core Competencies above. Connect your learning to any of these aspects. Identify which aspect you are referring to, and describe how your actions, and / or your understandings demonstrate that dimension.
